

Glory to the King

Hear From Heaven – Chronicles 7:14

Lord we are the ones who are called by Your Name
Humbly we bow down at Your holy throne today
Praying through fire, seeking the Highest
Today we turn away
from our wicked ways

Chorus

Hear from heaven
forgive Your children
Lord we know that You can heal our land
Hear from heaven
forgive Your children
Lord we know that you will heal our land

Lord we're tired and we're bent
By the storms You have sent
Choking on our desires
We need Your mercy to untie us
Today we turn away
from our wicked ways

Chorus

Hear from heaven
forgive Your children
Lord we know that You can heal our land
Hear from heaven
forgive Your children
Lord we know that you will heal our land
