

Glory to the King

I Burn For You

I have walked this earth
with broken feet my Lord
I have searched for You
I found myself in Your arms

Red yellow blue and white
Are the colours You ignite
Drenched in Your Spirit
You've set me on fire
I burn for You
I burn for You

I have given my all
So You give me more to give
You're closer than my blood, than the air I breath to live

This slumbered passion that I hide
You call by name You call to rise
No flesh can hold this fire
Lord let Your flames fly higher
I burn for You
I burn for You
