

Glory to the King

Glory To The King

Lord we humble ourselves before You
We're nothing but the love You have for us
But through Your love we're endless
Through your love we're endless
We are endless through Your love
We are endless through Your love

Lord we give ourselves as a living sacrifice
Washed blameless in Your sight
By the blood of the Christ

This is our worship
Our worship unto You
Where there is worship
There is an altar too
Where there is an altar
There is a throne
Where there is a throne
There is a King
Arise King of Kings Arise - Arise King of Kings Arise
You are bigger than the earth
You are higher than the skies
Arise King of Kings Arise - Arise King of Kings Arise!

Glory to The King
The whole earth sings
The whole earth sings
Glory to The King
The whole earth sings
The whole earth sings
Glory to The King
