

The Presence Of The King

You Are Mine

Oh Jacob listen to the Lord
Who created you Oh Israel
The One who created you
Says do not be afraid

I have ransomed you, I have called you
By My Name you are Mine

You are Mine (4)

Cross the river, I'm with you
When you pass through
The waters won't cover you
You will not drown

When you walk into the fire
You will make it through
You will not be consumed

For I Am the Lord your God
The Holy One of Israel

You are Mine (8)

Holy (8)

Life I have traded, so you could be saved
You are honoured and favoured

I love you (8)
Holy !
