

The Presence Of The King

Unconquered

When I name my mountains
Let me remember
The Name above all names
And through sweet surrender
I'll face the monster
Cause You left no mountain
Unconquered

When I see weapons aimed at me
Let me remember
No weapon formed against me
Will ever prosper
And I'll face the monster
Cause You left no territory
Unconquered

And as I walk through the valley
Of the shadow of doubt
The only giant to defeat
Is in me and not without
Oh Ancient of Days, from this day onward
Leave no corner of this sinner's heart
Unconquered
Approaching sea of enemies
Lord remind me
When You're for me
None can stand against me
No not ever!
I can face the monster
Cause you left no enemy
Unconquered

As I remember that I'm dust
And wonder what You see in us
There rises from endless depths in me
Boundless joy in your eternity
One day You invaded hell
Rose on the third
You unseated, You defeated,
You are Jesus
The Unconquered!
